Pre-Joining Documentation Policy

Aurelia Technologies Pvt. Ltd. · POL-HR-001 · Version 3.2 · Effective 01 Apr 2026

Policy ID: POL-HR-001

Policy owner: HR Onboarding (hr-onboarding@aureliatech.example)

Applies to roles: All roles

Applies to departments: All departments

Applies to locations: Bengaluru, Pune, Mumbai

Applies to grades: G1 to G9

Approved by: Head of Human Resources

1. Purpose

This policy defines the documents every new joiner must submit before their joining date, the accepted formats, validity rules, and how incorrect or rejected documents are corrected. It ensures the HR record can be created on time so that IT provisioning and access are not delayed.

2. Scope

This policy applies to all full-time and fixed-term employees joining any Aurelia office in India. Interns are covered by a separate internship guideline and are out of scope.

3. Mandatory documents for all employees

The following documents are required for every new joiner, regardless of role, department, grade or location. They must be submitted no later than 7 calendar days before the joining date.

- **3.1 Identity proof**. Accepted proof: Aadhaar card, Passport, or Voter ID; validity rule: Passport must be valid for at least 6 months after the joining date.
- **3.2 Address proof**. Accepted proof: Aadhaar card, Passport, utility bill, or registered rent agreement; validity rule: Utility bill must be dated within the last 3 months.
- **3.3 PAN card**. Accepted proof: PAN card; validity rule: Name must match the identity proof.
- **3.4 Photograph**. Accepted proof: Recent passport-size photo; validity rule: Taken within the last 6 months, plain background.
- **3.5 Bank details**. Accepted proof: Cancelled cheque or bank statement first page; validity rule: Account must be in the employee's own name.
- **3.6 Signed offer letter**. Accepted proof: Countersigned offer letter; validity rule: Signed on all pages.

4. Role-specific documents

4.1 Education certificates are required for roles that specify a minimum qualification. This includes Software Engineer, QA Engineer, DevOps Engineer, Data Analyst and Data Scientist (minimum: Bachelor's degree), and Finance roles (minimum: Bachelor's degree in Commerce or a recognised professional qualification such as CA).

4.2 For these roles, the joiner must submit the final degree certificate. A provisional certificate is accepted only if issued within the last 12 months, and the final certificate must then be submitted within 6 months of joining.

4.3 Roles without a minimum qualification (for example, HR Associate, Office Administrator, Customer Support Associate) need only submit their highest qualification certificate, which is optional.

5. Grade-specific documents

5.1 Employees joining at grade G4 or above must submit the relieving letter from their most recent employer and the last 3 months' salary slips.

5.2 If the relieving letter is not available before joining because the notice period is still running, the joiner may submit their resignation acceptance email instead. The relieving letter must follow within 30 days of joining.

5.3 Employees joining at grade G1 to G3 with prior work experience should submit an experience letter if available. This is recommended but not mandatory.

6. Location-specific documents

6.1 Employees relocating from another city to Bengaluru, Pune or Mumbai and claiming relocation support must submit the relocation declaration form (HR-F-12).

6.2 Employees joining the Mumbai office who will work in the client-facing banking unit must also submit a police clearance certificate, as required by the client contract.

7. File format and quality rules

- Accepted file types: PDF, JPG, JPEG, PNG. Other formats (for example, DOCX, HEIC, ZIP) will be rejected.
- Maximum file size: 5 MB per document.
- Scans must be in colour, with all four corners visible and text clearly readable.
- Password-protected files will be rejected.
- The name on every document must match the name in the offer letter. Minor differences such as an initial versus a full middle name are acceptable if supported by the identity proof.

8. Review and correction process

8.1 HR Onboarding reviews each submitted document within 2 working days. Each document has one of these statuses: Not Submitted, Submitted, Under Review, Accepted, or Correction Requested.

8.2 If a document is rejected, the joiner receives a correction request stating the exact reason (for example, expired, illegible, wrong document type, or name mismatch) and what to upload instead.

8.3 The joiner must re-submit the corrected document within 3 working days of the correction request.

8.4 If identity, address or PAN documents are not accepted at least 3 working days before the joining date, HR Onboarding will contact the joiner and the hiring manager to agree whether the joining date should move.

9. Data privacy

Documents are stored in the HR system with restricted access and are used only for employment and statutory purposes. Aadhaar numbers are masked except for the last 4 digits in all internal views.
